LE SOMMELIER

Le Sommelier, a restaurant where the concept of winery and gastro-bar fuses together. At the Sommelier winery you will find more than 2000 references of international wines and liquors. At the restaurant you can choose a good variety of quality tapas and purchase a great bottle of wine from their exclusive shop to enjoy with your meal.

DEGVSTA

This rather quaint restaurant is tucked away in the quieter streets of the old town of Tarragona. It serves excellently prepared local and fresh Catalan food, with a modern touch. The restaurant is within reach of the main Plaça de la Font, but far enough away that you don’t hear all the hustle and bustle of the busy town centre. The old stone walls are complimented by white linen table cloths and well-mannered staff. Good for couples or groups.

LA MORERA

Thanks to La Morera you can taste delicacies of the Mediterranean cuisine. You will enjoy a menu prepared with fresh products from the local port and market, from meat to fish and seafood paired with an excellent wine selection. As La Morera you will discover a wonderful creative taste of local products. We recommend that you reserve a table.

Between the plain of Tarragona and the lands around the Ebro, hidden behind the coastal mountains of southern Catalonia and only 40 km from the beach, you will discover Priorat. It is a land with a wealth of character where the beautiful villages and landscapes unite to captivate the visitor - a place of contrasts soaked in calmness, with a countryside that hides its charms amongst vineyards, olive trees, stone terraces and mountains.

The name Priorat has always been associated with wine. And the two local wine DOs (denomination guaranteeing the origin), DOQ Priorat and DO Montsant, tell us fundamental things about the history and character of the area.
